Luxury Afternoon Tea
and Private Tour of Montalto House

MONTALTO
ESTATE

An Exclusive Montalto Experience

Your visit will begin with a warm welcome and an introduction to the rich history of Montalto Estate. Following this, your private tour will let you explore the grandeur of the 18th century Georgian mansion along with its wonderful collection of original art and antiques.

You will move through the main rooms of the house including the rebuilt east wing and the Lady's sitting room with its original plastered ceilings by Robert West, created in 1758. During this time, you will be immersed in the history of Montalto as you hear many interesting and entertaining accounts of what life was like at the estate.

Your guided tour will finish in the Chinese room, a space which perfectly complements the traditional afternoon tea that awaits you. This will include a selection of delicate finger sandwiches accompanied by freshly baked scones and a variety of handcrafted miniature pastries and sweet treats. These will be enjoyed with our carefully selected loose leaf tea or freshly brewed coffee. After this, a selection of homemade cakes will be served to complete your afternoon tea experience.

“What a wonderful afternoon. Glorious house. Fabulous.”

Our afternoon teas are tailored towards the seasons with refreshing iced tea in the summer and festive mince pies in winter. All to be enjoyed on beautiful, decorative crockery.
